# Outdoors!

## WITH **GARD-N-POST™** SUPPORTS & ENCLOSURES

Arlington's **Gard-N-Posts™** are the attractive, safe and easy way to install light fixtures and devices outdoors!

We offer a variety of styles, from 9" to 73" tall that function as supports or enclosures – or both!

Made of non-metallic, heavy-duty plastic, our damage-resistant Gard-N-Post holds up against abuse from lawn maintenance equipment.

Most have built-in stabilizers that deliver rigid support and require no assembly. The angle-cut at the bottom allows for easy access to underground wires\*.

Plus, the colorant runs throughout the post, so there's no chipping or loss of color.

For added convenience, **GP19**, **GP26** and **GP37** – our most popular sizes – come with a supplied separator so you can install power and low voltage outlets in the same post.

Some styles come with a metal grounding bushing in place, ready for the installation of an NPT fixture. And some have KO's that make them UL Listed enclosures.

*Permanent color.  
No chipping!*

*GP19 • GP26 • GP37  
One post.  
Two openings.*

**Whatever your need,  
there's a Gard-N-Post to fit it!**

\* Not applicable to GPD9 deck/post mount style or the GPLN15GR low profile support.

Patented. Other patents pending.

## Low Profile Support

**GP19 19.5"**

**GP26 26"**

**For any outdoor light fixture up to 18 lbs, w/ 1/2" or 3/4" NPT threads, and/or a GFCI wiring device**

- Openings on both sides of the post allow for back-to-back power – use the supplied low voltage separator to install power and low voltage outlets in the same post
- Built-in stabilizers need no assembly and deliver rigid support
- Designed for easy access to underground wiring
- Four 1/2" KOs for a UL Listed enclosure
- Four colors
- Competitively priced

UL Listed cover  
Removable for easy wire installation

**GP26**  
Taller design provides additional height for wiring devices and increased burial depth

Built-in stabilizers  
No loose parts.  
No assembly required.

Angle-cut base  
for easy access to underground wiring

# GARD-N-POST™

## Low Cost Bollard Kit

### GPBK35 35"

#### Gard-N-Post support post with pagoda-style light fixture

- Perfect for decks, boat docks and concrete walkways
- Square pagoda-style light fixture matches the shape of the Gard-N-Post™
- Fixture has a standard lamp socket that accommodates a variety of lamp types
- Back-to-back openings in the post, and the low-voltage separator give you the option of installing power in one side, and low-voltage in the other – or high voltage devices in both
- Two combination KO plates provide a UL Listed enclosure
- Colors: black, bronze
- Low cost bollard!
- Easy installation– includes everything you need to install it, except anchor bolts and caulking

Metal Support Post

- 1 Attaches easily to surface

**Easy to install!**

35" Non-metallic Gard-N-Post

- 2 The non-metallic Gard-N-Post slides over the metal support post.

Both posts are held firmly in place with the supplied screws (see below).

Decorative Curb

- 3 Place decorative curb over Gard-N-Post. Slide it down to cover the installation.

Gard-N-Post

- 4 Press fit spacer to base of lamp.

Spacer

- 5 Install pagoda light to post with locknut inside the top of the post. Wire fixture.

Recommended anchors (not included): Concrete: (4) 3/8" x 2-1/2" Tapcons®  
Cast-in-place concrete: (4) 3/8" anchor bolts  
Wood deck: (4) 3/8" anchor bolts w/ nuts & washers

#### Bollard Kit 35" Height

Item No.	UPC/DCI/NAED Mfg. #01 8997	Color	Unit Pkg	Std Pkg
GPBK35B	77040	Black	1	1
GPBK35BR	77041	Bronze	1	1

#### Kit includes...

Gard-N-Post and metal stabilizer, curb, pagoda light fixture and decorative spacer, (2) blank device plates with gaskets and screws, low voltage separator and removable KO plate with screws.

**Pagoda Light Fixture** compliments Arlington's Gard-N-Post line

# GARD-N-POST™

Just for Light Fixtures • Low Cost!

**GPLN 19.5"**  
**GPLN 15"**  
**GPL 19.5"**

**Gard-N-Post**  
**low profile supports**  
**just for 2- and 3-wire**  
**fixtures**

Installing an outdoor light fixture is easier, and less expensive with Arlington's low cost Gard-N-Posts.

The GPLN series low profile support is designed for 3-wire light fixtures. They come with a 3/4" NPT threaded opening, and an installed 3/4 x 1/2 non-metallic reducing bushing for use with 1/2" or 3/4" NPT fixtures.

- Installed cover
- Permanent colors – No chipping
- Heavy-duty – Resists damage from lawn mowers and other lawn maintenance equipment
- UV rated plastic for long outdoor life
- UL and CSA Listed

## GPLN19

Non-metallic bushing for 3-wire fixtures only

3/4" x 1/2" reducing bushing w/ 1/2" NPT opening

Cover with 1/2" KO or photocell

Built-in stabilizers  
No loose parts.  
No assembly required.

## GPLN15GR

Non-metallic bushing for 3-wire fixtures only

## GPL19

Metal bushing with ground wire for 2- or 3-wire fixtures

**Our Absolutely LOWEST COST Gard-N-Post**

**GPL19B**  
Shown with light fixture GPI75B

Patented.  
Other patents pending.

### GPLN19 19.5" Height • Non-Metallic Bushing

Item No.	UPC/DCI/NAED Mfg. #01 8997	Color	Unit Pkg	Std Pkg
GPLN19B	76190	Black	6	6
GPLN19BR	76192	Bronze	6	6

### GPLN15GR 15" Height • Non-Metallic Bushing

Item No.	UPC/DCI/NAED Mfg. #01 8997	Color	Unit Pkg	Std Pkg
GPLN15GR	76181	Gray	10	

GPLN19 & GPLN15GR  
Include: Access panel cover, gasket, 3/4" x 1/2" NPT non-metallic bushing for fixture installation.

### GPL19 19.5" Height • Metal Bushing

Item No.	UPC/DCI/NAED Mfg. #01 8997	Color	Unit Pkg	Std Pkg
GPL19B	77000	Black	1	6
GPL19BR	77001	Bronze	1	6
GPL19G	77002	Green	1	6
GPL19W	77003	White	1	6

Includes: Access panel cover, gasket, installed 3/4" x 1/2" NPT metal grounding bushing and locknut with copper ground wire for fixture installation.

# GARD-N-POST™

## Enclosure w/ Weatherproof in-use Cover

GPD19B

*Why install boxes like this?...*

**New Features  
for EXTRA-DUTY  
Code Compliance**

**Reinforced Hinge** allows cover to comply with extra-duty code requirements of 2011 NEC

**Extra-Duty Built-in Weatherproof Cover**

**UL Listed Enclosure**

### GPD19 19.5"

**Low profile enclosure with built-in, clear weatherproof while-in-use cover**

Arlington's GPD19 Gard-N-Post enclosure costs about the same as multiple piece assemblies, but it looks a lot better, and it's faster and easier to install.

- Ships with a clear, extra-duty weatherproof in-use cover, GFCI and duplex wall plate – no gasket required
- Four permanent, damage-resistant colors
- Made of heavy-duty, UV-rated plastic
- 19.5" tall
- UL Listed enclosure – Meets 2011 NEC extra-duty code requirements

*...when you can*

**Look Great Outdoors!**

### GPD19 19.5" Height

Item No.	UPC/DCI/NAED Mfg. #01 8997	Color	Unit Pkg	Std Pkg
