

## **Arlington Wins CE Pro 2020 BEST Award at CEDIA Expo Virtual**

**September 14, 2020 - San Juan Capistrano, CA** - *CE Pro* announced the winners of the 2020 *CE Pro* BEST (Best Electronics Systems Technologies) Awards at CEDIA Expo Virtual this week.

Arlington is pleased to announce that their **Low profile 5x8" Steel TV Box™ (TVL508S)** won the CE Pro BEST Award in the **Mount Lift Media Concealment** category. To learn more visit <http://www.aifittings.com/landing/tvl508s/>

This year's winning entries were chosen by an independent voting panel of integrators along with the editors of *CE Pro*. Products were individually judged on multiple criteria including innovation, functionality, competitive advantages, benefits to the end-user and benefits to the integrator.
