Arlington Wins! ... IMARK Supplier of the Year for 2023

Scranton, PA...Arlington Industries Inc. announced today that the company received an Award for Distinguished Performance in 2023 from the IMARK Electrical Group.

Arlington won the Supplier of the Year award for 2023

Arlington won this prestigious award in the "AA" category of mid-sized manufacturers for outstanding service to IMARK members.

Arlington would like to thank the 224 electors and 175 member distributors who make up the member-owned IMARK Group who voted once again to recognize ARLINGTON with this prestigious 2022-2023 award.
