DWT Wire Grabber™ Kit with TOGGLE

DWT0805 (5' DROP WIRE)
DWT0810 (10' DROP WIRE)

Contents:

- (1) Braided Steel Wire w/ Toggle
- (1) Wire Grabber™

UL Listed for 100 Lbs. Max. Static Load
with Cable Provided.

Installation Instructions:

1. Insert toggle into existing hole in light fixture, by 'tilting' the toggle to pass thru existing hole (.32" dia. max. hole).
2. Pass braided cable thru Wire Grabber™ and upward toward desired upper anchor point.
3. Attach to upper anchor point by looping the cable thru anchor point and back down toward the Wire Grabber™.
4. Pass the braided cable back thru Wire Grabber™.
5. Finger tighten screw to set position, then use locking pliers or screw driver to tighten screw fully to secure installation.
