Manufacturers of Quality Electrical Products

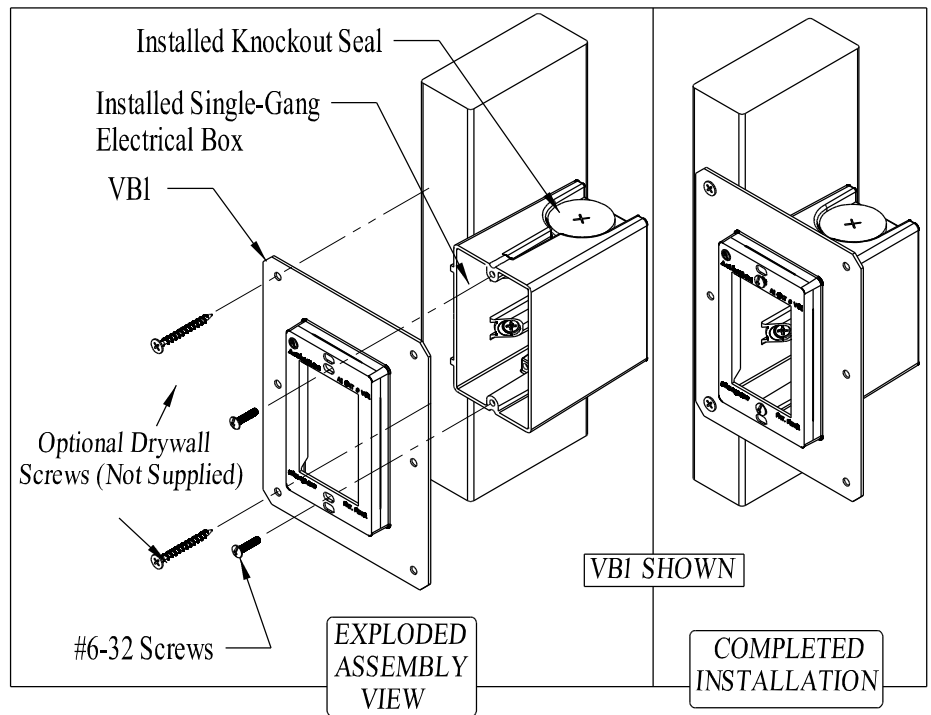

CAT #	DESCRIPTION
VB1	1-Gang VB Cover w/ 2 KO Seals
VB2	2-Gang VB Cover/ 4 KO Seals
VB3	3-Gang VB Cover/ 6 KO Seals

### Contents:

- VB Series Vapor Barrier Cover
- #6-32 x 3/4" Long Screws
- Knockout Sealing Discs

## Installation Instructions:

1. Place VB Cover over installed plastic or metal box.
2. Secure VB Cover to electrical box using supplied #6-32 screws. VB Cover can also be secured directly to stud through indents in flange if desired using #6 drywall screws (not supplied).
3. Apply supplied self-adhesive Knockout Sealing Discs or use caulk to seal cable penetrations.
4. After wallboard is installed, remove previously installed #6-32 screws from the device box and discard.
5. Complete installation of desired devices.

**WARNING: Make sure power is OFF at main panel before installing.**

**All wiring must be in accordance with National (NEC/CEC), State and Local Electrical Codes.**

If you have any questions or if parts are missing from your Vapor Box Cover kit, Please call our Customer Service Department at 1-800-233-4717. Do not call or return this product to your local store or distributor.
