

# Metallic Fixture Hanger

*Easy, Snap in Installation • Supports Up to 50 lbs*

**Easy, Snap-in  
Installation  
from INSIDE  
the box  
No tools!**

FH50

1/8" base  
stays inside box

Arlington's FH50 Fixture Hanger is the fast, secure way to make vertical installations using drop wire.

Toolless installation! Snap the FH50 into a 1/2" knockout from *INSIDE* a box. And get the edge over the competition.

Save time and money, and while you're at it, get strong support for static loads such as boxes and fixture boxes.

- Ratings:  
ULus: 70 lb fixture  
ULc: 50 lb fixture

**FH50 Fixture Hanger**  
**Perfect for hanging fixture  
boxes, fixtures, cable tray  
and other static load items  
requiring drop wire support!**
