UL/CSA LISTED SUPPORTS & ENCLOSURES

GARD-N-POST™

Arlington's **Gard-N-Posts™** are the attractive, safe and easy way to install light fixtures and devices outdoors!

We offer a variety of styles, from 9" to 73" tall that function as supports or enclosures – or both!

Made of non-metallic, heavy-duty plastic, our damage-resistant Gard-N-Post holds up against abuse from lawn maintenance equipment.

Most have built-in stabilizers that deliver rigid support and require no assembly. The angle-cut at the bottom allows for easy access to underground wires (Not applicable to GPD9 deck/post mount style or the GPLN15GR low profile support.)

Plus, the colorant runs throughout the post, so there's no chipping or loss of color.

For added convenience, **GP19**, **GP26** and **GP37**, our most popular sizes, come with a supplied separator so you can install power and low voltage outlets in the same post.

Some styles come with a metal grounding bushing in place, ready for the installation of an NPT fixture. And some have KOs that make them UL Listed enclosures.

**Whatever your need,
there's a Gard-N-Post to fit!**

Four
permanent
colors.
No chipping!

GP19 • GP26 • GP37

OUR TALLEST SUPPORT FOR MOST OUTDOOR LIGHT FIXTURES

GP37 37"

Optional GPX18 18" Extender

Our tallest Gard-N-Post supports most outdoor light fixtures, and/or a GFCI wiring device.

- Adaptable in the field for time clocks and disconnects
- Openings on both sides of the post and the low voltage separator (supplied) allow for low voltage on one side, power on the other.
- Built-in stabilizers
- Two 1/2" KOs for a UL Listed enclosure
- Non-chipping colors
- UV rated plastic

Add the GPX18 (optional) to extend the GP37 in 18" increments, up to 73" tall. Or cut the top of the extender to the desired height.

GP37

Our tallest 2-piece Gard-N-Post assemblies with PVC cement

Extend the height of GP37 up to 73"

GPX18 Optional 18" Extender

GP37 37" Height

| CATALOG NUMBER | UPC/DCI/NAED MFG. #01 8997 | COLOR | UNIT PKG | STD PKG |
|----------------|----------------------------|--------|----------|---------|
| GP37B | 76153 | Black | 1 | 4 |
| GP37BR | 76154 | Bronze | 1 | 4 |
| GP37G | 76156 | Green | 1 | 4 |
| GP37W | 76155 | White | 1 | 4 |

Includes: Installed 3/4" x 1/2" NPT metal reducing bushing, locknut with copper ground wire for fixture installation, (2) blank device plates, gaskets and screws, plug for top hole (when fixture is not installed), low voltage separator and removable KO plate.

OPTIONAL GP18X 18" Extender
